

Stool C15, polyurethane, black

Durable and easy-to-move work stool for industrial environments. Suitable especially for production, assembly and maintenance tasks that require mobility and frequent changes in working position. The compact design allows free movement at the workstation and supports active working. The polyurethane upholstery is highly resistant to wear, moisture and chemicals and is easy to keep clean. The stool height adjustment range is 460-630 mm. The stool is equipped as standard with soft twin castors (Ø 50 mm) that brake when unloaded, increasing safety by keeping the chair in place when not in use

Product code

C15PU

GTIN

4016849587691

Width mm	35
Depth mm	350
Package width mm	66
Package depth (mm)	7
Package height mm	3
Height adjustment area mm	460 - 630
Max load kg	120
ESD	No
Suitable for cleanroom	No
Seat height adjustment	Yes
Seat tilt adjustment	No
Backrest height adjustment	No
Upholstery	Polyurethane
Base material	Polyamide
